SAAGH 2026 SPRING GOLF TOURNAMENT RULES

FORMAT OF PLAY

- All players hit every shot. The best shot is selected and all players hit from that point until the ball is holed.
- Each player is required to contribute at least TWO (2) tee shots during the round.
- You may lift/clean and place within one club length – including hazards.
- Flag sticks remaining in while on the green, will be player-optional.
- **Bunkers will be in play**, unless dictated otherwise by weather or course conditions. Please rake bunkers after play.

TEES

- Men will use the **"Silver"** tees and Ladies will use the **"Copper"** tees.
- Players that are 75 & over may play from the short (Copper) tees.
- Note: All players play from the short ("Copper") tees on Holes **#7**, **#8** and **#15** (Across the Ditch).
- Note: Tees on Hole #12 will be moved back to adjust for Pace of Play.

SCOREKEEPING

- Each team has been re-handicapped and assigned a new team handicap. This team handicap will be deducted from the gross scramble score to determine the team "net" score. (If you are missing a player, the score has been adjusted.)
- NOTE: IF YOU ARE MISSING A PLAYER, YOU MAY ROTATE AN EXTRA SHOT AMONG THE TEAM.
- NOTE: **MAX SCORE PER HOLE IS "BOGEY"**.
- NOTE: PACE OF PLAY IS CRITICAL. IF YOU FALL BEHIND YOU MAY BE ASKED TO SKIP A HOLE AND TAKE A BOGEY AS YOUR SCORE ON THE SKIPPED HOLE.
